

NEW TOOLS

#7220 DIESEL EXHAUST FLUID FILLER KIT

Built-in handle for better control

Air Bleed line for fast flow

Built-in screen prevents contaminants entering system

Elbow adapter creates angle where required

Shut-off valve prevents spillage

Special connector fits all standard DEF systems

Allows fast & clean filling of DEF (Diesel Exhaust Fluid / AdBlue®)

DEF is an Aqueous Urea Solution that must be handled very carefully due to its corrosivity

Regular DEF filling is required by many diesel powered vehicles

Fits: Mercedes-Benz, BMW, Volkswagen, Audi, Ford Pickups, Sprinter Vans & more!
